

Help Pick up the Tab for Ronald McDonald House Charities of Kentuckiana

To many, a pull tab is just a piece of aluminum with one purpose - to open a can. But to the Ronald McDonald House Charities of Kentuckiana, the pull tab is a valuable resource. Why? Collected pull tabs are recycled; generating much-needed funds to support the House, Family Rooms, and the nearly 2,700 families we serve each year.

Families staying at Ronald McDonald House are asked to pay only \$15 per night and no one is turned away. The actual cost to house a family is \$69 per night. Our pull tab recycling program is one of the ways we generate funds to help underwrite the cost of a families night stay.

How You Can Help

- Begin saving your aluminum pull tabs found on beverage cans
- Place collected tabs in a container, such as a cardboard box or Tupperware container
- Drop your tabs at any Louisville-area McDonalds Restaurant or Ronald McDonald House

Pull Tab Facts

- One pound = 1,526 pull tabs
- One foot = 12 pull tabs
- One mile = 63,360 pull tabs

Teachers and School Advisors

- Join our Save-a-Million program and Ronald McDonald will visit your school
- School Curriculum Guide available for classroom use
