

10th Annual Red Tie Gala
Saturday, February 18, 2012

the lounge at *McDazzle*

Many young professionals want to support a great organization with a great mission. However, finding the time to volunteer can be challenging. The Lounge at McDazzle was created with these hard-working future corporate climbers in mind.

The Lounge at McDazzle, Saturday, February 18, 2012 at the Louisville Marriott Downtown, will begin at 9 p.m. with open bar and a live band until midnight. There will also be light appetizers to snack on. Here's an opportunity to network with other young professionals at the Lounge and rub elbows with business leaders who attend McDazzle.

The funds raised at McDazzle play a significant role in maintaining the day-to-day operations of RMHCK's cornerstone program, the Ronald McDonald House, and our three Ronald McDonald Family Rooms located in local hospitals.
