The RMHCK Red Shoe Crew is a group of young professionals (ages 21-40) who, through their own time, talent and resources, help expand the capacity and advance the mission of Ronald McDonald House Charities of Kentuckiana.

Together, they support the overall mission of RMHCK, to provide the home and support that allows families to stay together while they focus on the healing of their sick children at a critical time. They do this by supporting ongoing initiatives and creating new initiatives to increase awareness and gain resources for RMHCK.
