

Health & Safety Guidelines

To provide the safest possible experience for all of our guests, staff, and volunteers, Ronald McDonald House Charities of Kentuckiana (RMHCK) is adhering to the following health & safety precautions for the Red Tie Gala:

- We require all guests, staff, volunteers, and contractors to be fully vaccinated, including the booster shot, or show proof of a negative COVID-19 test within 72 hours. If you have not received your COVID-19 booster shot by February 19, 2022, then you will need to show proof of a negative COVID-19 test.
- We ask all attendees to wear a mask during the event, except when actively eating or drinking. We will have masks available for those who need one.
- We are taking advantage of the spacious Grand Ballroom at the Galt House by allowing ample space between dining tables.
- We are working with the Galt House to ensure CDC cleaning procedures are followed and that hand sanitizer stations will be set up throughout the event space.

As things are rapidly changing, we will constantly revisit our guidelines to ensure the highest safety measures are in place and communicate changes with attendees.

Please enjoy our virtual Red Tie Gala at Home if you:

- Have had a fever of 100.4 or higher in the 10 days prior to March 5, 2022.
- Are sick, have been diagnosed with COVID-19, or have exhibited any cold or flu-like symptoms in the 10 days prior to March 5, 2022.
- Have been in close contact with someone diagnosed with COVID-19.
- Do not feel comfortable attending an in-person event.

You accept our health and safety guidelines and any risks associated with an in-person event by attending the Red Tie Gala.
