INTRODUCTION

Ronald McDonald House Charities ® of Kentuckiana (RMHCK) is built on the simple idea that nothing else should matter when a family is focused on the health of their child – not where they can afford to stay, get their next meal, do their laundry, or lay their head at night to rest. RMHCK is more than a house. It's a home and support system allowing families to stay together and focus on the healing of their sick children at a critical time. All programs and services are free of charge to families.

MISSION & VISION

Ronald McDonald House Charities of Kentuckiana provides essential services that remove barriers, strengthen families, and promote healing when children need healthcare. RMHCK envisions a world where every family has what they need to ensure the best health outcomes for their children.
