

HELP STOCK OUR HOUSE

Our families are often pressed for time between doctor's appointments, medical treatments, and caring for their children. Other families may arrive in Louisville without their own transportation. It is important that we have the ability to provide them with items necessary for everyday life. Our Ronald McDonald House is a house with the same needs as any other house, just with a larger and higher demand.

Our current needs are listed below. Increase your impact by shopping [Smile.Amazon.com](https://www.smile.amazon.com) or at [Kroger](https://www.kroger.com) (sign-up for Community Rewards and select RMHCK).
