

- Why -

A core group of women helped start Ronald McDonald House Charities of Kentuckiana (RMHCK) in the early 1980's. RMHCK wants to continue this legacy by building a sisterhood of empowered women who will nurture RMHCK's vibrant, healthy, and growing community and make a lasting impact on RMHCK families through their collective philanthropy.

In addition, so many of RMHCK's guests are women – the mothers, grandmothers, sisters, aunts, daughters (in-law) – who are at their children's sides to remain a part of their medical care. The Red Key Society will be an opportunity for women to lift other women up in their time of need.

- Who -

A "Key" is a woman who wants to:

- Make a positive impact
- Care deeply for RMHCK families
- Invest in helping RMHCK families with her time, talent, and treasure
- Combine her resources to meet RMHCK's needs
- Model philanthropic community support
- Network with other women in the community who are looking for an opportunity for professional and/or individual outreach
- Determine her own level of engagement
